

# **S.E.D. Aladin Plugin**

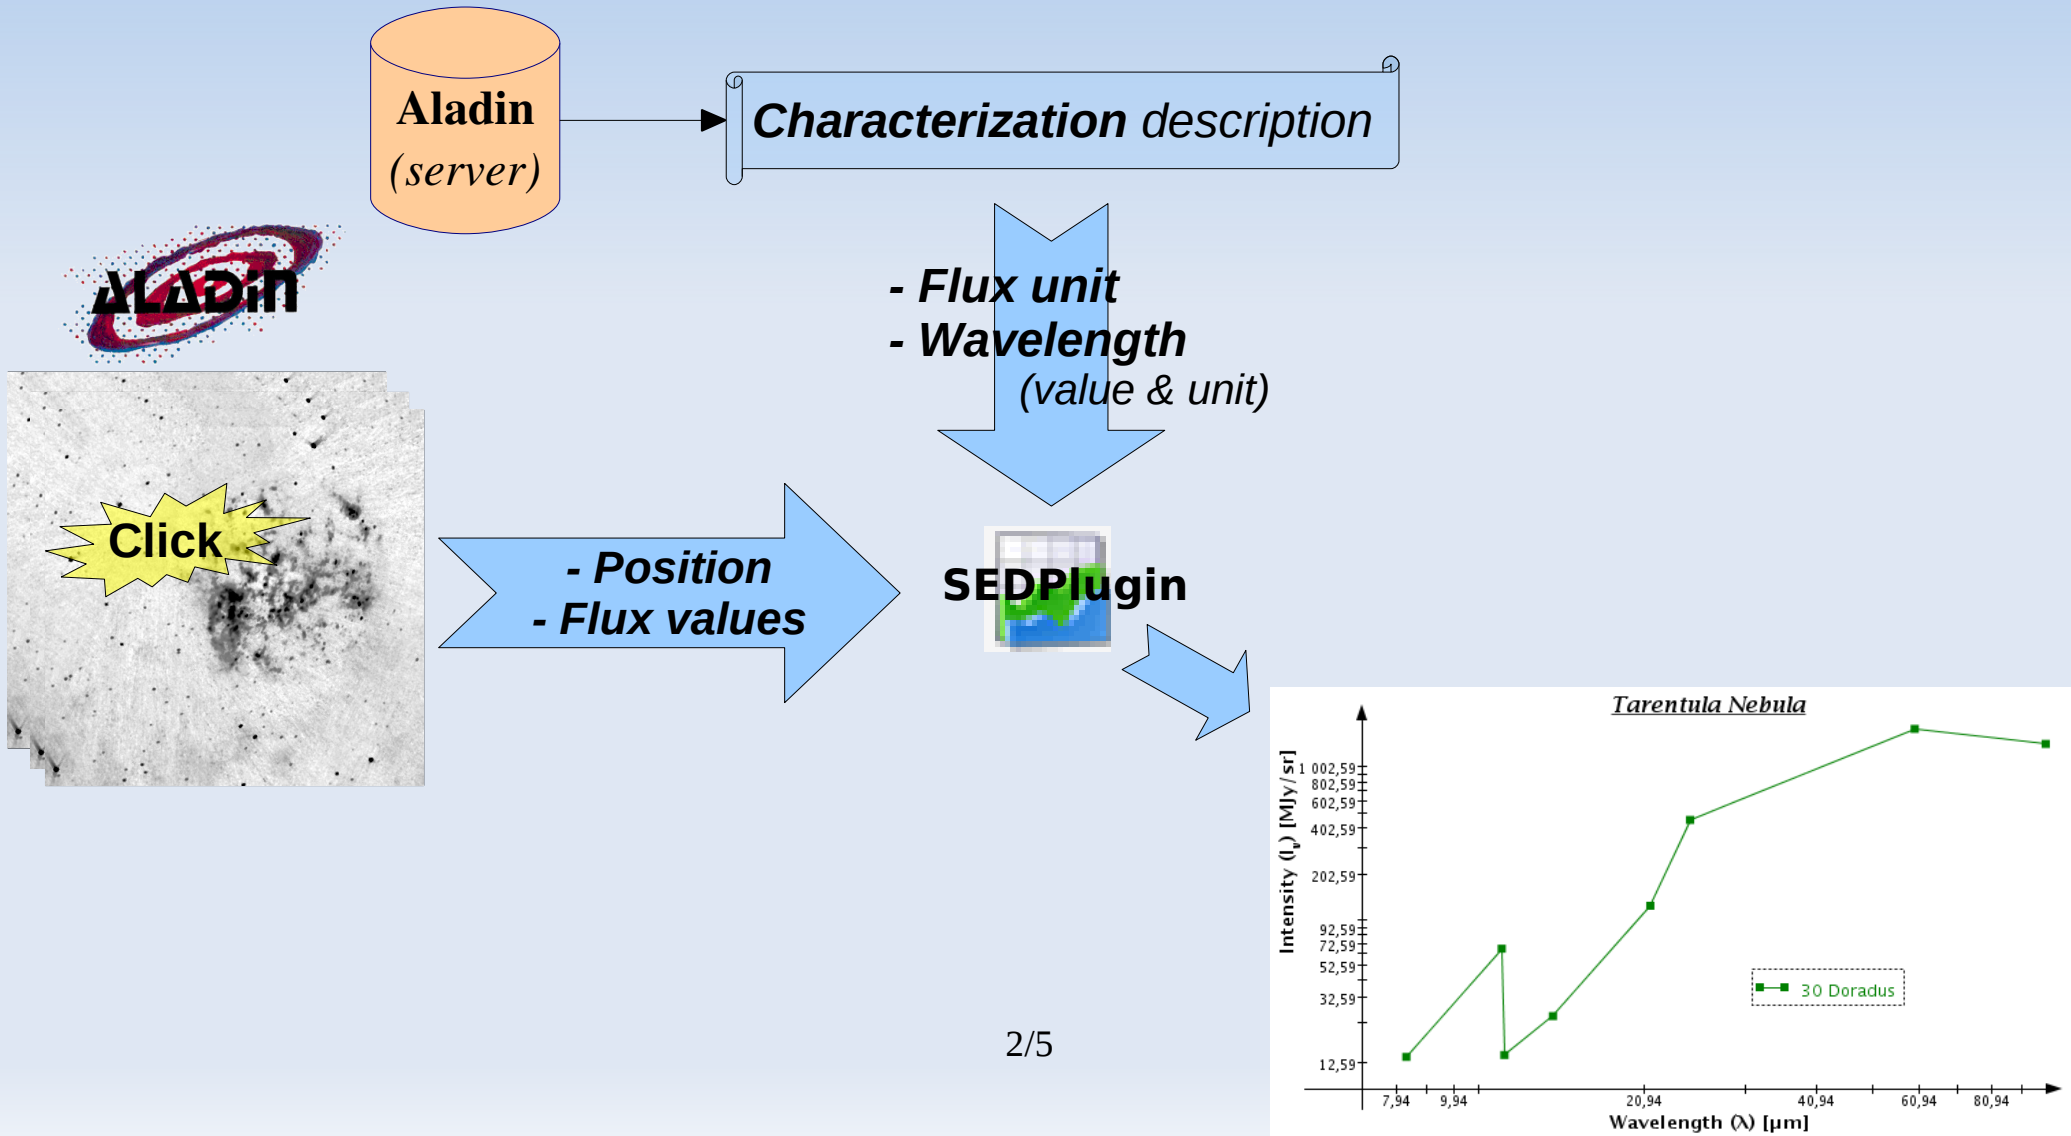

## AIDA – WP7

*16<sup>th</sup> March 2010*

*Grégory Mantelet (CDS)*

# Principle

- Plugin to generate SEDs (*Spectral Energy Distributions*)

# Main functionalities

- Interactive with Aladin
- Make basic operations between SEDs
- Exportation in different formats (*e.g. VOTable*)
- SAMP compatible

# Demonstration

# Perspectives

- Generate SEDs with **catalogues**
- Generate SEDs with **local images**
