

**EURO-VO DCA**  
**26 Jul 2008**

**Publication of Time-Domain Data**

Duncan Law-Green  
XMM-Newton Science Operations Manager  
X-ray & Observational Astronomy Group  
University of Leicester, UK

## **Exercise:**

Ingest of OGLE VOEvent data into local database  
Creation of AstroGrid STAP service  
Registration on ESO sample registry  
Query via AstroGrid VO Desktop

## **Mostly successful!**

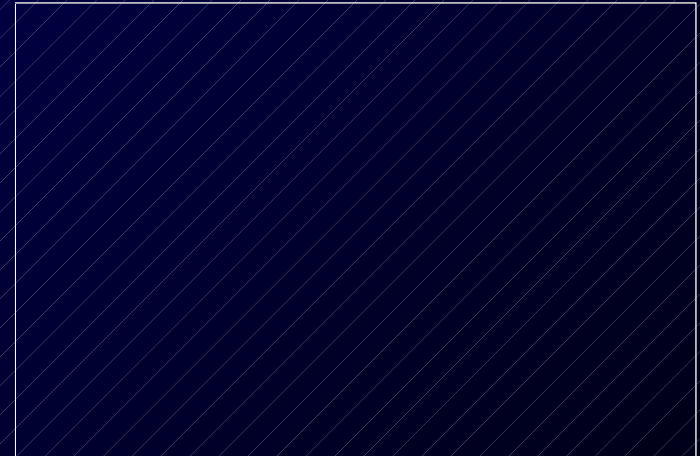

Some errors in scripts provided  
Null pointer exception in VO Desktop

More code testing in advance, please!

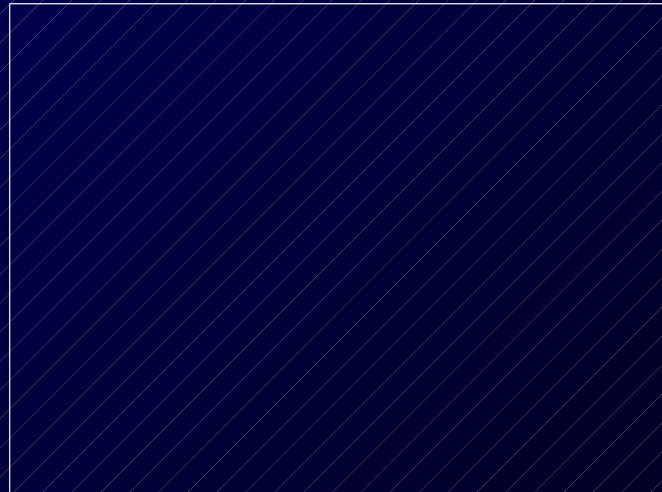

Intend publishing STAP data as soon as practicably possible.

XMM-Newton lightcurves

WASP lightcurves

Swift Gamma-Ray Burst data
